SGL group of companies is a family run business based in Johannesburg North. Founded in 2005 we initially started serving the domestic Air-conditioning market. Sales, maintenance and installations of midwall split units was the driving force behind our business. Gradually we found the need to diversify and give our clients a full turnkey project facility by growing our services to include Plumbing and Electrical.

Air Conditioning

Plumbing

Electrical

"Rome was not built in a day". Over the past 18 years our ethos is that of hard work and integrity. Client satisfaction is our primary concern as well as the health and safety of both our clients and employees. As such we do not compromise on quality.
